The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Brooksville Department of Public Works project in fiscal year 2024. The entity to receive funding for this project is the City of Brooksville, located at 201 Howell Avenue, Unit 300, Brooksville, FL 34601. The funding would be used for construction of a new Public Works facility to house the Department of Public Works, Fleet Services, Facilities Maintenance, Municipal Utilities and Sanitation. The new facility will provide staff offices, customer lobby, multi-use space for conference and training, restroom/locker-room facilities, large vehicle garage bays and bay doors, sign shop, welding room, small engine repair and the required electrical and mechanical rooms.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
